

ALL THAT METAL

© Chris Kendall

MINED AND MELTED AND MOLDED BY MAN
SNAKING ITS WAY ACROSS THIS LAND
FREIGHT TRAIN PASSING FEEL IT POUND
CAN'T BELIEVE THAT METAL ALL CAME UP FROM THE GROUND

IT'S THE AMERICAN DREAM TO HAVE YOUR OWN SET OF WHEELS
DRIVEN NATION STEERED BY AUTOMOBILES
MILLIONS CRUISE THE HIGHWAY THROUGH MY TOWN
CAN'T BELIEVE THAT METAL ALL CAME UP FROM THE GROUND

NAVY VESSELS ALL BATTLESHIP GREY
THAT'S JUST THE FLEET IN THE USA
MIGHTY GUN TURRETS FIRE ROUND AFTER ROUND
CAN'T BELIEVE THAT METAL ALL CAME UP FROM THE GROUND

GREAT GIRDERED BRIDGE FEEDS THE BIG CITY
SKYSCRAPERS REACHING HIGH AS I CAN SEE
EVERY MANHOLE COVER WEIGHS A HUNDRED POUNDS
CAN'T BELIEVE THAT METAL ALL CAME UP FROM THE GROUND

MINED AND MELTED AND MOLDED BY MAN
SNAKING ITS WAY ACROSS THIS LAND
FREIGHT TRAIN PASSING FEEL IT POUND
CAN'T BELIEVE THAT METAL ALL CAME UP FROM THE GROUND
